

8011 Aluminum Foil | Haomei Aluminium Foil

Haomei can supply [8011 aluminum foil](#) with thickness of 0.01-0.018 mm, the aluminum foil is mainly used for pharmaceutical packaging, food packaging, cable foil, milk cover materials, sealing foil and other fields. Our company can be customized according to customer needs. We have a strong production capacity, annual capacity of aluminum foil is 500,000 tons, for many domestic and foreign enterprises long-term supply.

Specification of 8011 aluminum foil are:

Alloy	8011 aluminum foil
Alloy Temper	O,H14,H16,H18,H19,H22,H24
Thickness (mm)	0.018-0.2
Width (mm)	100-1600
Inner diameter(mm)	75,150
Typical product	Pharmaceutical Foil, Packaging Foil, Container Foil, Household Foil
Standard	JIS, AISI, ASTM, GB, DIN, EN
Treatment	Mill finish / Coated
Applications	Food, Bottle caps
Package	Standard export packing or following customer's demand

The features of 8011 aluminium foil:

1, Aluminum foil surface is very clean, sanitary, any bacteria or micro-organisms cannot grow on its surface;

- 2, Aluminum foil is a non-toxic packaging material, it can be directly contact with food without any harm to human health;
- 3, The aluminum foil packing material for a tasteless odorless, make the packaging of food has no peculiar smell;
- 4, The hardness of the aluminum foil, tension strength is big, but the tear strength is small, so easy to tear;
- 5, Aluminum foil has good plasticity, so it can be used to pack all kinds of products.

Application of 8011 Aluminum Foil:

1, For bottle caps: liquor bottle caps, red wine caps, cosmetic caps, milk powder caps, medical caps, beverage caps, yogurt caps, etc.

Advantages: food grade, brushing A grade, low ear rate;

2, For pharmaceutical packaging: PTP medicinal aluminum foil, cold stamping plastic foil, 8011-H18 medical packaging aluminum foil, capsule aluminum foil board, etc.

Advantages: high cup convex value, high strength of aluminum foil, good sealing;

3, For food packaging: heat sealing foil, food container material, container foil, aluminum foil gasket for sealing;

Advantages: clean surface, no foreign matter, food grade, safer;

4, For industrial aluminum foil: aluminum foil for transformer, aluminum foil tape, aluminum foil for cable belt, aluminum foil for filter;

Advantages: clean oil, flat plate;
